

This week in Early Years...

Congratulations to **Renley** for receiving our relationships star learner award in Friday's assembly.

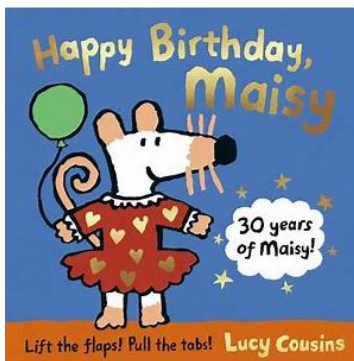

Congratulations to **Elsie** for being our writer of the week! She is making great progress with hearing the initial phonemes in words and correctly wrote a CVC word.

Congratulations to **Isabelle** for receiving our relationships star learner award in Friday's assembly.

Congratulations to **Finn** for being our writer of the week! He identified and wrote the initial phonemes for his party list and attempted to write paddling pool.

Book of the week:

Comparison: the vocabulary more than and fewer than will be introduced. The children will learn that quantities cannot always be compared by 'just looking' and they will need to use pairing to compare. Seeing that objects in 2 sets can be matched without any being left over will help draw attention to situations in which quantities are equal.

Maths focus of the week:

We have had a great first half term together. We look forward to welcoming your child back into school on Monday 3rd November. Enjoy your half term break!

The PTA Halloween disco is this Friday in the school hall 5.15pm-6.15pm. Tickets are still available online. Costumes are welcomed. Familiar staff members will be at the disco to help any worried children settle. There is a tuck shop with items priced between 30p and 50p. Squash and water is free. Please drop your child at the carpark side door and collect from the same place - parents walk through the hall, collect their child and go out through the front door.
