This Week in Reception

We have completed our first half term together and our first learning theme 'Marvellous Me'.

Our Learning

We have completed our first half term together and our first learning theme 'Marvellous Me'. We have enjoyed getting to know each other and learning all about what makes us special!

Weekly Challenges

Our weekly challenges have been to:

- tweezer to pom poms into the cupcake cases
- decorate a birthday balloon
- sort the presents by size, colour or shape.

Shape, Space and Measure

Our shape, space and measure focus was to compare different lengths using the story 'I can draw worms' as inspiration.

Marvellous Me

We looked at our baby photos and discussed what we can do now that we could not do when we were a baby.

Our Number Focus

Our number focus has been to make and count a collection of items, using the stem sentence "1 and 1 and 1 makes 3".

1 and 1 and 1 makes 3

Reminders

Ladybird Class

When we return after half term, Ladybird class will need their PE kits each Tuesday - family coloured t-shirt and black shorts or joggers.

Butterfly Class

Butterfly class will need their forest school kits including wellies and a puddle suit to wear over their uniform.

Please remember to make a parent's evening appointment via Arbor for either 10th or 11th November.

We hope you have a fantastic half term break from school.

See you on Monday 2nd November.
