

Science

In Science we are looking at different scientists and their discoveries. We are completing a number of investigations using different forms of scientific enquiry.

History

In our History learning we are finding out about transport. We are looking at different forms of transport and how it has changed overtime. We will also be producing a time line of transport through the ages.

Literacy

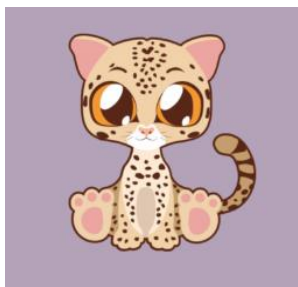

In literacy we will be looking at the books 'Traction man' and 'The egg box dragon' We will be talking about the characters, predicting what will happen next, acting out parts of the story, and many other things. We will also be looking at sentence formation and the use of a variety of punctuation. We will be learning about singular and plural words suffixes and prefixes.

RE

We will be learning about The importance of the Torah to the Jewish faith, and about the parables that Jesus taught.

Ocelot Class

Miss Wells
Mrs Constable (Monday afternoon)

PSHE

The children will be learning about citizenship and economic wellbeing.

Art

In our Art lessons we are using practical skills in working with clay and applying artistic techniques in a structured project. We will then move on to Design and technology and investigate and make a simple vehicle.

Phonics and spellings

We will be following Little Wandle phonics, learning the phase 5 alternative sounds, working on reading, writing and spelling. We will also complete phonics reading sessions. Information will come home weekly about spellings and sounds covered. Homework will be due on a Monday.

Maths.

In maths we will be looking at multiplication, division, fractions, geometry and money.

P.E.

Ocelot PE days are Tuesday (outside) completing Net and Wall games and Thursday (now outside) Athletics.

Computing

We are learning about programming. The children will use beebots (floor robots) and sample scratch on the computers.
