

# This week in Early Years...

Congratulations to **Izzy** for receiving our relationships star learner award in Friday's assembly.

Congratulations to **Edie** for receiving our relationships star learner award in Friday's assembly.

Congratulations to **Sophia** for being our writer of the week! Her labelled drawing of her family is proudly displayed in the hall.

Congratulations to **Winter** for being our writer of the week! Her labelled drawing of her family is proudly displayed in the hall.

We had our first fantastic first full week of school last week; the children have shown how resilient they are to eat lunch in the hall and although we could tell how tired some were, they managed to stay until 3.15pm! Baseline assessments will continue to be carried out this week which means there are some parts of our curriculum which are not being taught yet. We have also been getting to know your children, making sure they understand the classroom routines and expectations.

## Book of the week:

## Maths focus of the week:

Counting songs and rote counting aloud. Matching numerals to quantities in our play.

Dojo points: the children have begun collecting Dojo points to celebrate achievements in the classroom. This will be shared with families next half term.

There are parents who still need to activate their Tapestry account. This is a communication tool that is consistently used. Please ensure you have regular access to this. If you are having problems, please approach Mrs Locke.

The date and time for the phonics workshop will be confirmed and shared shortly. Thank you for your responses to the email poll.
