

## Science

In Science, we are looking at weather and seasonal changes, discussing the difference in day length and light throughout the year.

The children have also explored environmental changes between autumn and winter.

## Phonics and spellings

We will be following Little Wandle phonics, recognising phase 5 sounds, working on reading, writing and spelling. We will also complete phonics reading sessions. Information will come home weekly about spellings and sounds covered. Homework will be due on a Monday.

## History

In our History learning, we are finding out about the different monarchs through time in the UK. Discussing their significance and how they impacted the people of that time.

## Ocelot Class

Miss Wells

Mrs Constable (Tuesday afternoon)

## PSHE

We are learning about our rights, rules and responsibilities.

## P.E.

Ocelot PE days are Thursday (outside) doing ball skills, i.e. throwing, catching, dribbling and Friday (inside) doing fitness.

## Literacy

In literacy, we will be looking at the book 'Rapunzel'. We will be talking about the characters, predicting what will happen next, creating lists, share ideas, acting out parts of the story and many other things.

We will also be looking at sentence formation, the use of capital letters, full stops and finger spaces.

Our grammar focus this half term is how to correctly use conjunctions.

## ART

The children have been exploring how to alter the mark making to improve drawings, using different techniques and drawing styles.

## Maths.

In maths we will be looking at odd and even numbers.

We are learning how to apply what we know about multiplication when instead using division and looking for the patterns in number.

## Computing

We are learning how to create music digitally using Chrome Music Lab. This includes changing pitch, tone and considering how music makes us feel.
