

Science

In Science we are looking at different materials. We will be naming them and looking at their properties, and then moving on to look at their suitability for purpose.

History

In our History learning we are finding out about the Great fire of London. How it started, why it spread so quickly and why it lasted so long. We will also be learning about Samuel Pepys and his importance as an historian.

Literacy

In literacy we will be looking at the book 'How to find gold'. We will be talking about the characters, predicting what will happen next, acting out parts of the story, and many other things including comprehension. We will also be looking at sentence structure, the use of correct grammar and having a focus on presentation.

Art

In our Art lessons we are learning art and design skills, including printing, colour mixing and exploring different media.

Phonics and spellings

We will be following Little Wandle Letters and Sounds for phonics, initially re-capping phase 5 digraphs. We will complete phonics, reading, spelling and handwriting sessions daily which are all linked in order that the work becomes embedded. Information will come home weekly about spellings and sounds covered.

Fox Class

Mrs Blackmore

P.E.

Fox PE days are Monday (inside) for dance with Mrs Blackmore and Tuesday (outside) with Mr Bishop for key skills, i.e. jumping running, balancing.

Maths.

In maths we will be looking at place value within 100. We will be counting in 2's 3's 5's and 10's and recognising number names as words. We will also be partitioning numbers and working on tens and ones.

Computing

We are learning about computing systems and networks, and how information technology is used at school and the world around us, including how to stay safe.
