

Welcome back for our final half term...

Balance ability begins this week! Wombats on Monday; Raccoons on Friday. Please wear your trainers to school for the day.

Congratulations!

Mila was our Wombat reflective star of the week. We celebrated how reflective she was when following the recipe and making bread rolls.

Miley was our Raccoon reflective star of the week. We celebrated that she has made positives choices and engaged in every lesson.

Cameron was our Wombat writer of the week for his excellent and independent sentence writing!

Ziva was our Raccoon writer of the week; she demonstrated perseverance when writing her sentence.

Book of the week:

We're Going on a Bear Hunt
Michael Rosen Helen Oxenbury

Please remember to provide a named sun hat everyday for your child.

The week's overview:

Circle Time	Shape, Space & Measure	RE
What holidays have we been on?	Can you identify the unit of repeating pattern?	What does the Bible say about God creating the world?
Understanding the World	Art	Music
How do we travel to different places?	What will happen if we roll clay with our hands?	What skills have we learnt this year?

Our final theme is 'journeys', and will include thinking about moving on to year one.

Number focus: This week we introduce subitising beads on a rekenrek. This key piece of equipment will allow the children to continue to develop their subitising skills as they explore the structure of small numbers, while building a foundation for further work in Year 1.
