This Week in Reception

It was lovely to see so many families at parent's evening to share what a great start to our year we have had together and next steps for learning.

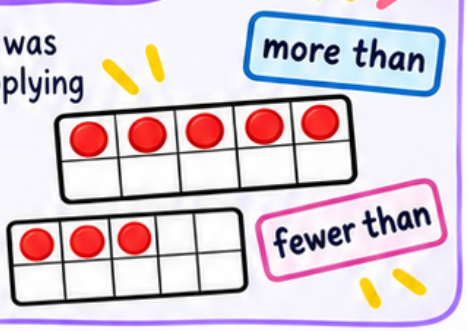

Let's Celebrate

Our 'Let's celebrate' continued with learning about Remembrance Day, including a two-minute silence.

Number Focus

Our number focus was introducing and applying the vocabulary **more than** and **fewer than**.

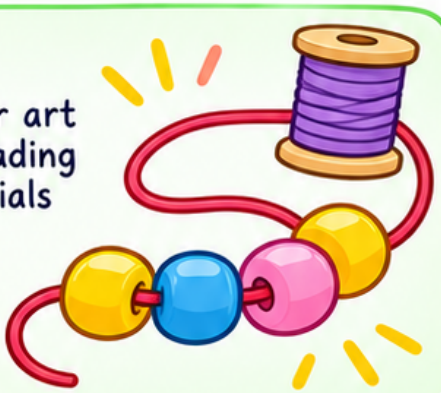

Our Focus Story

We continued with a second week of our focus story 'Remember, Remember the Fifth of November', thinking about how 'Little Flicker' could get up into the sky. Lots of CVC words were being segmented aloud and then written this week.

Art

The focus of our art lesson was threading different materials using pinching, pushing and pulling actions with precision.

RE

The focus of our RE lesson was finding out about how people living in different countries celebrate Christmas. The children could also use the nativity props to retell the Christmas story.

PSHE

Our PSHE circle time discussion gave the children the opportunity to share people who are special to them who are not in their immediate family.

Please remember nativity costumes need to be in school by Monday 23rd November.

Tickets will be handed out during that week.
