

This week in Early Years...

Congratulations to **Leah** for receiving our relationships star learner award in Friday's assembly.

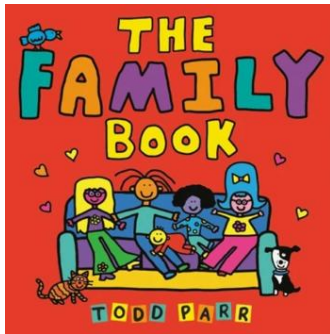

Congratulations to **Emmett** for receiving our relationships star learner award in Friday's assembly.

Congratulations to **Eli** for being our writer of the week! His name writing with correct formation is proudly displayed in the hall.

Congratulations to **Edward** for being our writer of the week! His initial phoneme label is proudly displayed in the hall.

Book of the week:

Maths focus of the week:

Composition: The children will learn from practical experience that a 'whole' is made up of smaller parts and is, therefore, bigger than its parts.

If you were not able to attend the phonic workshop last week, the information booklet should have been brought home on Friday for your information. Please note, the weekly phonemes sheets are not homework that needs to be handed back in - this is for your child to share their new knowledge with you at home.

On Friday 10th October our school will be taking part in the Young Minds - Hello Yellow campaign. We are encouraging children to wear something yellow to school on Friday to mark the day. If you would like to donate towards the campaign please follow the link on your email. We are a cashless school and cannot accept cash donations. During the school day we will be taking part in some wellbeing and mindfulness tasks.
