

# This week in Early Years...

**Balance ability:** Our first sessions were a success! Wombats on Monday; Raccoons on Friday. Please wear your trainers to school for the day.

## Congratulations!

**Hudson** was our Wombat respect star of the week. We celebrated how respectful he was when learning how to use the rekenreks in our maths lesson.

**Koa** was our Raccoon respect star of the week. We celebrated his consistent respect, kindness and good manners.

**Elsie** was our Wombat writer of the week for her amazing and independent sentence writing!

**Ellis** was our Raccoon writer of the week for his super independent sentence writing.

## Book of the week:

*We're Going on a Bear Hunt*  
Michael Rosen Helen Oxenbury

Please remember to provide a named sun hat everyday for your child.

## The week's overview:

Circle Time	Shape, Space & Measure	RE
Which people are special to us including our dads?	Can you create your own pattern rule?	What is wonderful about the world?
Understanding the World	Art	Music
Where do we live and what makes our place special?	What tools can we use when exploring play dough?	What skills have we learnt this year?

**Number focus:** Comparison – to use the rekenreks to push an amount of beads that are equal to, more than and fewer than a given number. We will also begin to recognise the 1 more pattern of number and explore the order and magnitude of numbers to 10.
