

## Science

In Science we are looking at different scientists and their discoveries. We are completing a number of investigations using different forms of scientific enquiry

## RE

We will be learning about The importance of the Torah to the Jewish faith, and about the parables that Jesus taught

## Reading

Children are either reading Accelerated Reader books or books targeted more to their phonic reading level. Please do try to listen to your child read for 10 minutes every day and have a chat about the book – it really does make a difference!

## History

In our History learning we are finding out about transport. We are looking at different forms of transport and how it has changed overtime. We will also be producing a time line of transport through the ages

## Fox Class

Mrs Scott-Mullen, Miss Goddard, Miss Champion, Mrs Heap and Mrs Constable

## Literacy

In literacy we will be looking at the books 'Traction man' and 'The egg box dragon' We will be talking about the characters, predicting what will happen next, acting out parts of the story, and tone of voice. We will also be looking at suffixes, prefixes, using a dictionary, noun phrases, and perfecting handwriting with a joined up style

## Art

In our Art lessons we are using practical skills in working with clay and applying artistic techniques in a structured project. We will then move on to Design and technology and investigate and make a simple vehicle

## PSHE

We will be learning about citizenship, which includes rules responsibilities and care for others.

## Maths.

In maths we will be looking at fractions, including halves, thirds and quarters. We will also be focusing on time, statistics and ending the year with position and direction

## P.E.

Fox PE days are Thursdays and Fridays where we are covering Striking and Fielding as well as Target Games

## Computing

We are learning about grouping data, and recording what we have found out. We are also looking at coding blocks and algorithms
