

Our final four days in Early Years...

Our last week together is forecast to be another hot week. Please ensure your child comes prepared with their sun hat, sun cream and water bottle every day. Please keep up to date with information via the Arbor app. Thank you ☺

We didn't have a celebration assembly last week due to our transition day. We are so proud of all of our Star Learners and Writers of the Week from across the school year. We have so much progress and so many achievements to celebrate!

The final reading books will be collected in on Monday – if you have any school books at home please return them ASAP.

Your child's Tapestry journal download is now available in a PDF format. Instructions for downloading this have been shared on Class Dojo and Tapestry. If you would like to save individual photos and video clips, you will need to do so before Friday 17th July as your child's journal will be archived then – the PDF will still be available on your parent account until October. Any questions, please ask Mrs Locke.

Folders, exercise books and art work will be sent home during the early part of this final week. Please provide a named sturdy plastic bag in case there is too much to fit in their normal school bag!

Although it was hot, the sports day races were a great success! Thank you for joining us – we are so proud of how the children competed and cheered on their peers.

We have A LOT of uniform and items in the classroom that have not been claimed. We will put them on a table on the playground for you to look through this week.
