

This week in Early Years...

Congratulations to **Markus** for receiving our relationships star learner award in Friday's assembly.

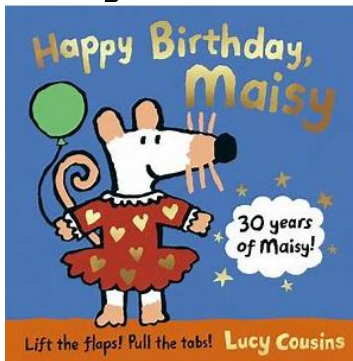

Congratulations to **Spencer** for being our writer of the week! His initial phoneme labels are proudly displayed in the hall.

Congratulations to **Freddie** for receiving our relationships star learner award in Friday's assembly.

Congratulations to **Maggie** for being our writer of the week! Her initial phoneme writing is proudly displayed in the hall.

Book of the week:

Maths focus of the week:

Subitising: we will be looking closely at small quantities to observe whether the quantity has changed or only the arrangement. We will also explore the different representations of Number block 4, developing part-whole relations.

Our 'All about me' theme moves onto exploring birthdays this week. There will be numerous enhancements during busy learning for the children to access. On Monday 20th October we will be taking a walk to the local playground to hold our own 'birthday party' for our class mascots. Parent volunteers have been requested via Tapestry. Please ensure your child has a coat and water bottle on this day. **They will not require their PE kits on Monday 20th October.**

Reading groups have been a success so far. Thank you for the prompt return of the books. Please remember books come home each Thursday and need to be returned each Monday.

The PTA are holding a music bingo event this Friday evening in the school hall. Please support your PTA and come along. Ticket sales are online.
