

Science

In Science, we are looking at plants and how they adapt to their surroundings. What makes a plant grow well and what things can alter a plants growth and how new plants are produced. Along with seasonal changes.

Phonics and spellings

We will be following Little Wandle phonics, recognising phase 5 sounds, working on reading, writing and spelling. We will also complete phonics reading sessions. Information will come home weekly about spellings and sounds covered. Homework will be due on a Monday.

History

In our History learning, we are discovering how toys have changed through time. What toys the children have, compared to their parents and grandparents during the time of their childhood.

Ocelot Class

Miss Wells

Mrs Constable (Tuesday afternoon)

RE

We are learning about the religion of Islam.

P.E.

Ocelot PE days are Thursday (outside) doing invasion games , and Friday (inside) doing Yoga.

Literacy

In literacy, we will be looking at the book 'The Robot and the Blue Bird'. We will be talking about the characters, predicting what will happen next, share ideas, acting out parts of the story and many other things.

We will also be looking at sentence formation, the use of capital letters, full stops, finger spaces and conjunctions.

Our grammar focus this half term is to use exclamation.

DT

The children will be exploring, discussing, designing and making free standing structures.

Maths.

In maths we will be looking at Length and Height; measuring, comparing and ordering. Before moving on to shape; 2D & 3D. Followed by fractions; half, quarter and thirds.

Computing

We are learning how to use, create and edit pictograms to share information. Collecting data using a tally chart.
