

Science

In Science, we are looking at animals and their habitats. The children will look at habitats in different places. They will begin to recognise food chains. They will also work on their scientific skills of observing, collecting data and recording.

Phonics and spellings

We will be following Little Wandle phonics, learning the phase 5 sounds, working on reading, writing and spelling. We will also complete phonics reading sessions. Information will come home weekly about spellings and sounds covered. Homework will be due on a Monday.

Geography

In our learning this half term we will be looking at our local area. We will find out where in the world we are compared to other countries. The children will learn the seven continents and five oceans.

Ocelot Class

Miss Wells
Mrs Constable (Monday afternoon)

PSHE

The children will be learning about health and well-being.

P.E.

Ocelot PE days are Tuesday (outside) completing team building activities and Thursday (inside) doing gymnastics.

Literacy

In literacy, we will be looking at the book 'The Secret Sky Garden'. We will be talking about the characters, predicting what will happen next, creating poems, share ideas, acting out parts of the story and many other things. We will also be looking at sentence formation, the use of capital letters, full stops and finger spaces. Our grammar focus this half term is how to present our work neatly.

Art

In our Art lessons we are learning art and design skills, including painting and missing colour.

Maths.

In maths we will be looking at addition and subtraction. We will explore shapes and their properties. Then continue with place value to 50.

Computing

We are learning about creative media. We will use different systems to create digital paintings.
