

Science

In Science we are looking at animals including humans. We are learning about our body parts and senses. We will also be classifying and sorting animals by their features, and looking at their diet.

RE

We will be learning about Islam and how Muslims show that Allah is compassionate and merciful.

Phonics and spellings

We will be following Little Wandle phonics, and continuing with phase 5 alternative sounds, working on reading, writing and spelling. We will also complete phonics reading sessions. Information will come home weekly about words and sounds covered.

Geography

In our Geography learning we are finding out about continents and oceans. We will be focusing on the continent of Africa and comparing it to where we live.

Literacy

In literacy we will be looking at the book 'one day on our blue planet; the savannah' We will be talking about the setting of the book, researching the animals in the text and completing non-fiction writing. lions, and We will also be looking at sentence formation, capital letters, nouns, verbs and conjunctions.

Art

In our Art lessons we are learning to explore and create maps through various art forms, including drawing, felt making, printmaking, and designing stained glass.

Wombat Class

Miss Fowles (Monday, Tuesday, Wednesday)
Mrs Fancy (Wednesday, Thursday, Friday)
Teaching assistants: Mrs Heap, Miss Goddard.

PSHE

The children will be learning about safety and our changing bodies.

Maths.

In maths we will be looking at the number system within 20. Recognising amounts, counting on and back. Finding out 1 more and 1 less, and recognising number names as words. Comparing and grouping objects.

P.E.

Wombat PE days are Tuesday (outside) doing ball skills, and Thursday (inside) doing gymnastics and fitness.

Computing

We are learning about moving robots, programming and producing algorithms. We will be using both the computers and beebots (small robots) to complete this .
