

Early Years Newsletter for Raccoons and Wombats

Please remember a named water bottle, sun cream, sun hat and bag each day.

Book of the week:

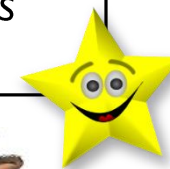

Phonics focus:

We continue to apply our phase 3 phoneme knowledge during our daily sessions. The longer words that we will be using include: **three spear spoilt fright scoop spoil smear stair star clear tree free screen street screech sprain strain**. The tricky words that will be introduced this week are **pure sure are here little says was do were**.

Congratulations to **Archie** for receiving the relationships star learner award on Friday – he has demonstrated great relationships with his peers during busy learning. Congratulations to **Rein** for being our writer of the week on Friday – for his excellent sentence writing in his Drawing Club task.

Maths focus of the week:

Counting beyond 20 is an important focus this week. English 'teen' number names do not follow a logical pattern; we say 'eleven, twelve, thirteen' instead of 'ten-one, ten-two, ten-three'. It is only when we count beyond 20 that the pattern of our number system begins to become clear. For the children to develop familiarity with the structure and pattern of this system, we need to give them experiences of counting to these larger numbers.

Thank you to those families who were able to support and attend our Gruffalo reading café this week.

Wednesday - PE kits

Science workshop this Thursday

Felixstowe trip on Tuesday 24th

Sport day races on Tuesday 8th July 9-12pm
