

# Week 3 in Raccoon class 16<sup>th</sup>-21<sup>st</sup> June

We are looking forward to welcoming you into our third and final reading café this Tuesday at 2pm. It has a Gruffalo and maths theme. If you cannot attend, please consider inviting another adult to share this learning opportunity with your child.

Our new focus book is 'Lost and Found' by Oliver Jeffers. Our enhancements during busy learning will link to this and our drawing club sentence writing will be based on the main characters, the setting and then we will have 'adventure time' before writing about it.

This week's number focus is deepening the children's understanding of our counting system. English 'teen' numbers do not follow a logical pattern, and it's only when we count beyond 20 that the pattern of our number system becomes clear. We will have multiple experiences this week of counting these larger numbers so that they start to become familiar. On Friday our position focus will continue while the children create and label maps using positional language.

Congratulations to our star learners Lola and Alaia for receiving our relationships award last week.

## Wednesday afternoon kits:

Rosie Raccoons need a forest school kit - arms and legs must be covered.

Ricky Raccoons need an outdoor PE kit with trainers.

Thank you for your support with this.
