

# The penultimate week in Early Years...

Monday - Balance ability in the morning for Wombats. Sports carousel in the afternoon for Wombats and Raccoons - weather dependent. Please ensure your child wears their PE kit and trainers to school.

Tuesday - Sports day races from 9am. Parents are invited to watch. Please note that parents and children sit on opposite sides of the track and do not have the opportunity to spend time together. Depending on the weather EY children might not sit and watch every race. Please ensure your child wears their PE kit and trainers to school.

Wednesday - a normal day at school.

Thursday - a normal day at school. Look out for an email with information about your child's new Y1 class.

Friday - transition day; a day for your child to spend with their Y1 teacher. Please line up on the playground in your new class. The new teacher will collect the children. Please collect on the same playground at the end of the day.

## Congratulations!

**Izzy** was our Wombat respect star of the week. We celebrated how she is consistently respectful and a great turn-taker.

**Frances** was our Raccoon respect star of the week. We celebrated how she is a fantastic role model.

**Baran** was our Wombat writer of the week for writing b-u-s.

**Edie** was our Raccoon writer of the week for writing two independent sentences.

## Book of the week:

Towards the end of the week you will receive a notification about downloading your child's Tapestry journal. This will be in a PDF format. If you would like to download photos and videos, please do so directly from the app, before your child's account is made inactive at the end of term. Any questions, please ask Mrs Locke.

It's forecast to be another hot week. Please ensure your child comes prepared with their sun hat, sun cream and water bottle every day. Please keep up to date with information via the Arbor app. Thank you.

## The week's overview:

| Understanding the World                                     | Art                                                                           | RE                                       |
