

Spring term, week 3 in Raccoon class...

We will continue with the story of Goldilocks this week. The children were very engaged last week with

exploring the clues left at a crime scene and becoming police officers! This week we focus on letter writing, recipe writing and retelling the story using time conjunctions.

INDOOR PE ON WEDNESDAYS: We had a super first PE session last week. Please continue to ensure your child brings their labelled PE kit. They need to have their family colour t-shirt and black shorts/ leggings/ joggers.

During our maths sessions we will be recognising numerals 1-5, ordering them and matching quantities, exploring what one more means, and looking at the 'staircase' pattern as we have one more each time.

Our independent challenges to climb the mountain this week are:

1. To write a recipe for porridge.
2. To order the Numberblock characters and label them with a numeral.

Squigglings has been a great success each morning and a productive and calm start to our day.

Please remember the story and decodable books are changed each Tuesday. The third book wasn't sent home last week as we hadn't finished reading it; it should come home this Thursday.

Congratulations to Shylyn and Ella C for receiving our Respect star learner award in assembly.

Phonemes we will be focusing on this week in school -

 zoom to the moon		 hook a book	oo
 march in the dark	ar	 born with a horn	or

We will be reading and writing words. Can you spot segment and blend these words and spot this week's phonemes?

zoo	good	bark	pork
room	hook	yard	born

We will be reading sentences. Can you spot any tricky words? Can you segment and blend the words and look out for this week's phonemes?

His food is not hot.	I look at the moon.
The car has lights on in the dark.	The goat has sharp horns.

We will be practising tricky words. Can you spot the tricky part of the word?

was	you	they
-----	-----	------

We would appreciate any junk modelling materials donations for our collection please. We cannot keep up with what this year group like to use to build and create! Please can we ask that cereal box size boxes are the largest we receive? Toilet rolls, plastic bottles and newspapers will also be greatly received! Thank you
