

Science

In Science, we are looking at animals including humans. The children will learn about the different groups of animals. They will also work on their scientific skills of observing, collecting data and recording.

Phonics and spellings

We will be following Little Wandle phonics, learning the phase 5 alternative sounds, working on reading, writing and spelling. We will also complete phonics reading sessions.

Information will come home weekly about spellings and sounds covered. Homework will be due on a Monday.

Geography

In our learning this half term we will be looking at Africa compared to the UK. The children will learn the seven continents and five oceans. We will explore way of life for African families.

Ocelot Class

Miss Wells

Mrs Constable (Monday afternoon)

PSHE

The children will be learning about safety and changing body.

P.E.

Ocelot PE days are Tuesday (outside) completing ball skills and Thursday (inside) doing fitness.

Literacy

In literacy, we will be looking at the book 'One Day On Our Blue Planet...in the savannah'. We will be making predictions, comparing animals, creating fact files, creating poems, sharing ideas and many other things. We will also be looking at presenting our work for the reader.

Our grammar focus this half term is word classes, such as nouns, verbs and adjectives.

Art

In our Art lessons we are going on a journey. The children will create maps using different forms of media.

Maths.

In maths we will be looking at partitioning numbers, using numberlines, place value and addition and subtraction.

Computing

We are learning about digital writing. We will use word to create examples of writing.
